TRIPLE TRANSPORT LONG ARM

Features

Flat bed long arm triple transport, efficient and powerful triple feed, high top feed stroke and high clearance under the alternating sewing feet. Excellent stitch pattern and constantly tight stitches, even when processing thick threads and heavy weight material. Long sewing cycles without bobbin changes due to oversize vertical hook with high bobbin capacity even in case of thick threads. Unhindered handling of large-area, bulky workpieces owing to the large clearance under the sewing head.

- Triple transport
- 1 or 2 needle
- Oversize vertical hook
- Long arm 762mm
- Suitable for extra heavy materials such as truck covers

TRIPLE TRANSPORT LONG ARM

Triple Transport

The movement of the needle and the walking foot with the feed dog allow you to feed the heaviest materials without difficulty.

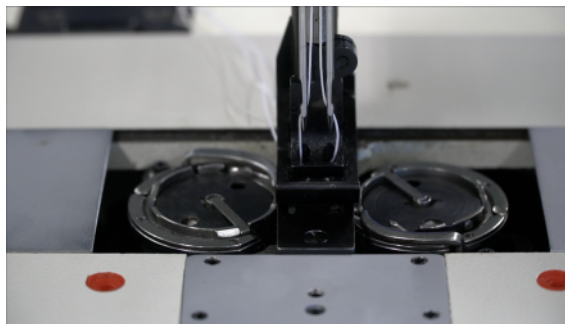

Long Arm

The long arm expands the workspace by simplifying sewing operations on bulky material such as truck covers and tarpaulins.

Heavy Duty

For sewing extra heavy weight materials such as leather, sofa, canvas, vinyl, synthetics, and various coated, laminated and rubberized fabric. Suitable for sewing such as tents, tarps, awnings, truck covers, auto marine and furniture upholstery, field covers, fabric structures and heavy bulky products.

Specs

Model	221-762-373 / 221-762-273
Needle	1 / 2
Max Speed	1200 / 1100 rpm
System	7x23
Nm	170-200nm
Thread	10/3
Footlifter Height	6mm
Voltage	220V 50-60Hz
Weight	110Kg
Dimensions	160x58x160
